Brampton's Own "Take Home Chef"

Brampton, ON November 8, 2006 – Personal Chef Jason Taylor, owner of Taylor'd for Taste Personal Chef Service, provides an in-home cooking service that saves you time, relieves stress, improves health, and can save you money.

For busy people who don't have time to cook or don't like cooking a personal chef answers the question "What's for Dinner?" with a meal plan that stocks your fridge and freezer with delicious, healthy, home made meals. Through a home consultation and thorough questionnaire Chef Jason Taylor customizes a menu that you and your family will love, even if you have dietary restrictions or health requirements that need to be accommodated.

Once the menu is approved and a cook date is set Chef Jason Taylor will do the grocery shopping in the morning and arrive at your home with all his own pots, pans, and equipment to prepare the weeks meals. During the full day at your home all the meals are cooked, cooled, packaged, and labeled for you. All the meals are stored in the fridge or freezer and detailed re-heating instructions are left along with an inventory list for your fridge door. Your family arrives home to the aroma of delicious food and a clean kitchen. All you have to do is defrost and re-heat the delicious meals at your convenience.

In addition Chef Jason Taylor is available for home entertaining such as dinner parties, cocktail parties, bbq's, birthday parties, etc. Again all menus are customized for each client and event and all food preparation is done your home.

Enjoy your own party as a guest when Chef Jason Taylor takes care of all the food and cleans up afterwards.

Personal chef Jason Taylor owns and operates Taylor'd for Taste Personal Chef Service, a home cooking service for home entertaining as well as weekday dinners for busy people.
